

# G.H.O.S. REPORT

---

## Bromptons Nightclub, Earls Court, London

18<sup>th</sup> May 2008

7.30pm – 11.30pm

**Areas** - Bar / Cellar / Gent's Toilet / Top Bar

**Group 1** - Karen F / Troy / Karen S / Simon C / Dillon

**Group 2** - Anne / Mark / Louise / Simon S

### Bar

**Group 1 - 7.44pm - 8.14pm      Temp Start 22.5   Temp End 21.6**

Dark shadow seen both near the stage and at the far bar. Shadow of a male standing and watching us was seen visually by all of the group. Karen approached this man and the shadow could be seen following Karen around as she walked about this area.

Lights seen on the stage

There was the strong sense of someone walking in between Simon and Troy

Flashes of light were seen.

Shadows seen again by the kitchen doorway

Karen picked up on a male called George from around 1823 who passed at the age of 87, wearing an old grey suit. He would have suffered with chesty breathing problems due to smoking, and smoke inhalation.

Karen sensed a Colonel, linked to the name of Alfred and the Grenadier Guards who would have kept a watchful eye over the troops whilst they relaxed and drank in this area. There is also the sense of army drunken brawls

Picked up on the names Sally and Harry

Sense of a lady with a young girl.

Picked up on a ginger haired soldier.

Sense of a male in the cloakroom area.

**Group 2 - 8.25pm - 8.45pm      Start Temp 20.7   End Temp 20.6**

8.25 - Louise had an achy bum, Anne had an achy back, Louise's camera picked up orbs around Simon, all heard taps coming from behind the bar, Anne saw a flash of light behind the bar. Anne picked up on the names Joseph and Jason in the cloakroom. Anne sensed someone standing behind Simon and Louise caught an orb on camera at this point.

8.30 - The chiller behind the bar started, this is not on any kind of timer and should not be switching on as the whole place is completely closed down. Mark heard a whisper on the dancefloor Anne heard a woman's voice - but not sure what she said. Anne heard in her left ear from a male's voice 'Winston Churchill came to ass, stuck a finger up my arse'.

8.35 - Simon saw an orb going through the window, Louise was touched on her belly, Anne felt a scratch to her arm and back. Anne felt sick and had a racing heart, also felt a tugging at her left arm.

8.40 - Louise was poked in her back and shoulders. Anne sensed a big person standing on the stage. Anne picked up on the names William and Thomas (Tom). Anne sensed the singing of 'Sally, Sally, Up the Alley!'

### Cellar

**Group 2 - 7.45pm - 8.10pm      Start Temp 17.1**

19.40 - Simon saw a flash of light

Various taps heard around the room

Someone walked in front of the electric cupboard

Battery on the camera died quickly at just 1 hour - it was fully charged at the start.

Big burly man sensed standing in corner of main area

Nasty feeling in main area of being drunk and sick

Nice person sensed in the small area at the far end of the cellar

8.03 - Anne picked up the name William Pritchard

**Group 1 - 8.15pm - 8.44pm      Start Temp 22.9      End Temp 25.8**

Cold draught felt between Dillon and Troy

Orb seen by all by the electric cupboard

Flashing light seen at the far end of the cellar, this was not from anything electrical.

Loud sigh heard by all

A shadow was seen in the doorway which moved quickly away by a couple of the group.

Cold breeze was felt on Karen's arm

Footsteps were heard.

The sound of a small child crying was heard very briefly by all.

Someone was sitting next to Simon in the far part of the cellar, which could be felt by him and also seen as a shadow by the rest of the group who were at the other end. This shadow then moved away and was gone.

Shadow was seen standing over by the hatch.

Moan noise heard

Cold breeze felt again.

There was quite a large temperature rise, but it felt colder by all the group.

Sense of a young girl

Sense of a large gentleman who was very broad across the shoulders.

**Gents Toilets**

**Group 1 - 9.45pm - 10.08pm**

Standing near the urinals, everyone felt quite funny and wanted to mess about

Music playing was heard by all briefly

The poster of a black sheep which has a sensor in it which goes off when someone walks in front of it went off all by itself without anyone in the group passing by it.

Bang was heard near the urinals.

Rumbling noise was heard as if the rolling of a barrel.

An arm was seen by the edge of the doorway as if someone was standing just behind it and this was then followed by something brushing past Karen's legs.

Karen F saw a bright white light near the cubicles at the far end.

The name of Kenny Everitt was picked up

Heart pains were felt.

The rest of the group watched as a dark shadow walked up behind Karen F and then came to stand by her side.

The feeling was much more gloomy and sad by the cubicles.

**Group 2 - 10.15pm - 10.45pm      Start Temp 17.2**

10.15 - Anne sensed someone being sick in the urinals

10.25 - All heard a dragging sounds as urinals finished flushing

10.30 - Radio went off on its own 5 times and then another 3 times.

10.35 - Anne sensed someone being her say 'I just had a dump'

**Top Bar**

**Group 2 - 9.45pm - 10.15pm      Start Temp 19.4      End Temp 19.2**

Orbs filmed at the top of the stairs area.

10.10 - Sounds of people walking up the stairs and a man behind the bar.

Anne sensed man behind the bar called Chris, Very tall, Ginger hair, Moustache. Sense of him saying 'Clean the bar. It's bloody filthy, look at the state it's in!'

**Group 1 - 10.14pm - 10.31pm      Start Temp 22.2      End Temp 21.7**

Tap was heard by the far window

Shadow was noticed by the door which then moved away

Karen started swaying

There was a strong sense of wanting to dance and sing.

Picked up the sense of a gentleman

### Ouija Board Experiment

Lots of swearing came through at first.

Did you speak in Anne's ear? Yes

Did you say the Winston Churchill quote? Yes

Did you see Anne blush? No

Are you 28? Yes

Is the other man 23? Yes

Is Sally a friend? Yes

Is Jason a friend? Yes

And Joseph? Yes

Did you come here on a night out? Yes

Are Jason and Joseph in the cloakroom? Unsure - could be a different troop

Were you here in the 60s? Yes

Do you have connections to the Beatles? No

Is William there? Glass stopped

Is Edward there? Yes

Glass stopped moving at this point.
