

# G.H.O.S. REPORT

---

**Prince of Wales Pub, Bognor Regis**

**6th May 2008**

**11pm – 2am**

**6th May 2008 - 11pm - 2am**

**Areas** - Bathroom / Main Bedroom / Kitchen / Saloon Bar / Public Toilets

**Group 1** - Karen F / Troy / Simon S / Bev / Micheala / Dawn

**Group 2** - Anne / Mark / Karen S / Louise / Simon C

## **Bathroom**

**Group 1 11.15- pm - 11.35pm      Temp Start 18   Temp End 21.8**

Micheala felt like he was being pulled back whilst sitting on the edge of the bath. / Also a breeze on his back. / Troy felt someone touch his hair twice. / Simon saw the show curtain move twice, Bev and Troy then both saw it move as well. / We checked a lot about how the curtain could be moving but no physical reason could be found. / The name of Christopher was picked up. Karen sensed that she had met his mum at some point. / Gentleman sensed in the corner with some kind of sexual connotations. From the 1950s / 60s. / Sense that the bed is where the bath now is, and as Karen and Troy sat on the bath they felt that he was trying to pull them both back onto his bed / Karen sensed a dark blue carpet with a blood stain in the centre. / Troy sensed pictures on the walls. / That the room was very tidy and immaculate. / Micheala felt someone had been killed violently. / Troy sensed sexual encounters in this room, like the man was some kind of pervert. / Karen had a limp neck, lie the sense of someone hanging Micheala sensed a man in the corner. / Karen wanted to walk through the wall as if there had been a door there at one time. Far wall by bath / Both Karen and Troy felt a knock on the bath. / The name of Christopher picked up by Troy / Troy picked up 'Bye, Bye, Baby' song by the Bay City Rollers. He then picked up on pictures of David Cassidy and the Osmonds. / Karen felt that the man was sitting beside her on the bath / side of his bed, with his trousers down. Feels like the man was drugged with either mental health problems or drugged to be made unaware of what was going on around him. He had lost all sense of emotion, but if he had been in a correct state he would have been angry.

**Group 2 - 11.40pm - 12am**

11.40 - Mark's torch turned off by itself, it didn't drain slowly just suddenly stopped working for no apparent reason. Karen and Anne both had a bad feeling. Sensed it was not a bathroom but a bedroom. Karen sensed that someone had been raped in here. Mark and Anne both felt sick.

11.45 - Light anomalies caught on camera. Louise saw an arm on Karen's shoulder. Mark sitting on the edge of the bath felt like he was being pulled backwards. Louise smelt stale booze. Anne sensed someone bludgeoned to death around the 1950s / 60s.t start in here. Possible

11.50 - Old man and young lad picked up. Sensed that the old man was hitting the young man for doing something, but that it didn't start in here. Young lad possibly worked for the older man.

11.55 - Anne's camera turned off by itself. Anne felt a mouthful of blood. Sensing a young man aged 18-19.

### Main Bedroom

#### **Group 1 - 11.38pm - 12am Start Temp 19.1 End Temp 20**

Orbs were seen going up the back of Troy, Troy then got poked. / Creaking was heard coming from the door. / More orbs in the centre of the room, where Troy got touched / All heard the door rattle like someone was trying to open it. / Micheala saw someone behind him in the full length mirror. / Troy got poked in the back again / Rocking noise heard from the corner of the room / Maternal lady felt in her mid to late 40s, dark greying hair, little child is her daughter, arguments are circulating about her, she wasn't able to look after her and something about having to send her away / Troy sensed alcohol being used. / Dawn sensed someone had been locked in the room. / Troy and Bev felt a cool breeze by their knees. / Karen sensed that the room used to have angel figures in it and also that she used to sing lullaby's. / Dawn, Karen and Troy sensed that the woman was mad and used to lock the girl in the room. / Karen felt that the man in the bathroom had wanted to kill the lady, but was too drugged up to do it. / Dawn and Karen both felt that this lady used to drug her husband and daughter and used to act as if everything was normal after locking them up, she would then come into her daughter and sing to her and give her hugs.

#### **Group 1 - 12.05am - 12.27am Start Temp 21.4 End Temp**

**21.2** 12.05 - Light anomaly picked up. Anne sensed that someone didn't want her to enter the room. Mark felt a sharp pain in his right temple. Karen and Anne both felt that someone was really annoyed. Louise felt that someone had died in here and there had been people in here paying their last respects.

12.10 - Mark felt like the right side of his face had been slapped.

12.20 - Karen felt like someone had blown in her ear. Anne was touched on the chin. Louise was touched on her back. Karen and Louise both saw Anne's face change. Anne sensed a lady had died of a stroke down her left side.

### Kitchen

#### **Group 2 - 7.55pm - 8.15pm**

EMF went off by itself for no apparent reason. / Popping sound was heard by all, followed by a clicking noise. / Micheal was touched on the head / Shadow was seen / Tapping and knocking sounds heard / Shadow seen outside the room / Cold spot felt / Orb was seen. / People singing hymns was sensed. / The feeling of a young girl and boy, the names Lisa, Jenny and Samuel were picked up.

#### **Group 1 - 9.05pm - 9.29pm Start Temp 21.4 End Temp 21.7 Humidity 47.1**

EMF readings were high all around the floor area.

9.08pm - Radio buzzer went off

9.12pm - Walking noise heard coming from the room above. Radioed through to check with other groups and it was confirmed there were no groups walking around in the room above us. A loud scraping noise was then heard.

9.22pm - The group formed a circle to build energy, and there was a strong feeling of apprehension darkness. Light was seen by Amy. shadows appeared to form moving around outside the circle.

A boy was sensed over by the boxes in the right hand corner. He was about 4ft 10in, wearing shirt sleeves with a 'V' neck pullover.

## **Saloon Bar**

### **Group 3 - 8.15pm - 8.35pm      Start Temp 16.7   End Temp 16.2**

Mark and Dawn heard tapping in the corner / Troy felt someone poke him in the back of the neck with something sharp. / Troy heard a footstep / Mark and Dawn heard a whistle. / Troy and Simon were heard taps in response o their questions to do a certain number. / Troy saw a light on the ceiling / Troy and Stuart heard a whistle / Troy and Dawn heard two loud taps on the wall. / Dawn heard a growling in her ear. / Troy saw a white light move across the door and at the same time Dawn heard a tap come from the same place / Dawn felt a knife in her spine in the middle of her shoulder blade - pressed against her back. / Troy saw a shadow move across the outside doorway. / All heard the noise of a whine.

### **Group 2 - 9.05pm - 9.30pm**

Sighing was heard by all / Anne was touched on the cheek / A small red light was seen / The sounds of tapping, moaning and creaking were all heard / The group started to laugh for no apparent reason.

## **Public Toilets**

### **Group 3 - 8.15pm - 8.35pm      Start Temp 16.7   End Temp 16.2**
